PRESIDENT'S REPORT

Greetings!

Spring is in the air amidst volumes of water!

It was a noisy night at the Curry House. It was a really enjoyable night for those who could make it. With two sizeable groups in action it was a noisy evening. The food was great.

We are heading into the busy season. All adult classes are full and Young People's Clay workshops are in full swing. Please note when the rooms are closed.

It was great to have Bruce Walford back for another hand building workshop last weekend. Waka. Dinghy's, platters it was full on and the creative juices were flowing. Bruce is a wealth of knowledge and he's always willing to share tips and ideas so it was a very worthwhile workshop.

Bruce Walford and Lynne Corkin

The "Using Club Glazes" workshops are taking place this week – Wednesday 1pm-3pm. Friday 6.30pm-8.30pm.

You will notice that all the glaze samples on clays that are no longer available have been removed. We will need to make up new samples with the clays that have been added to our range. If you want to be part of the team making these up please let me know. Some clays are out of stock and in short supply. HF porcelain, Primo paper clay, Whitestone and Mac's White are on order and hopefully will arrive early September. Primo Cream Stoneware comes highly recommended (Bruce Walford) as a great clay on the wheel and for hand building large pieces. It has a wide firing range and takes glazes well. At \$21 per 10Kg it is good value.

BotPots has sent us sample of Laguna Clays, including Black Clay. Margaret will make and fire samples for people to look at. We will not be stocking Laguna Clays but you can order direct if you are interested.

We have the Inter-club Raku on September 16th (cancellation date September 30th) so you should be well underway with making pots. It's good to

meet potters from other clubs so come along and join in the fun.

We have some vacancies that need to be filled and we need your help. Please don't hesitate to put your hand up if you can assist. We need a volunteer for each of the following:

- To represent the club on the National Convention Committee. This will be held in Upper Hutt in August next year. Otaki Potters join with The Woolshed Potters and Wellington Potters to make up the organising committee. Meetings are held at the Woolshed in Porirua and travel is reimbursed. Our rep will act as a liaison between the organising committee and the club.
- To clean the filters in both heat pumps on a regular basis. This would be in lieu of doing a

cleaning bee.

- To coordinate the demonstrations at the Festival of Pots.
- To manage publicity and promotion for the Festival.
- To act as convenor for the Public Raku on December 2nd.
- To manage clay for the club.
- To manage social media
- To manage the Club Website.

The club can only function well if everyone shares the load. My phone line is open!

Congratulations to those who have hit the "BIG O" birthdays this month... Michelle Read, Ann Porter and Alan Hunter... onwards and upwards!

Time to get those pots made!

You are invited to exhibit!
